PROVIDING AN INCREASE IN THE DAILY MINIMUM WAGE
IN THE NATIONAL CAPITAL REGION

WHEREAS, under R.A. No. 6727, the Regional Tripartite Wages and Productivity Board - National Capital Region, is mandated to periodically and progressively assess the wage rates, and to conduct continuing studies in the determination of the minimum wage rates applicable in the region or industry;

WHEREAS, RTWPB - NCR issued Wage Order No. NCR - 10, as amended, granting an Emergency Cost of Living Allowance to all covered private sector workers in the region effective 10 July 2004;

WHEREAS, Section 3, Rule IV of the National Wages and Productivity Commission Revised Rules of Procedure on Minimum Wage Fixing provides that any Wage Order issued by the Board may not be disturbed within 12 months from effectivity and no petition for wage increase shall be entertained within said period, except when there is a supervening condition such as extraordinary increase in prices of petroleum products and basic goods/services which demands a review of minimum wage rates as determined by the Board and confirmed by the Commission;

WHEREAS, the Board has determined, as confirmed by the Commission, that a supervening condition exists in the region due to the abnormal spiraling of oil and petroleum prices which immensely contributed to a drastic increase on the price of basic goods, commodities and services; an escalation of the inflation rate higher than that projected by the Bangko Sentral ng Pilipinas; and, the escalating erosion of the purchasing power of the Peso;

WHEREAS, the Board, after due notice to all concerned sectors, conducted consultations and a public hearing with workers’ and employers’ sectors, the government, and other interested parties in the region on the 17th, 19th and 25th of May 2005, respectively, to determine the propriety of issuing a new wage order;

WHEREAS, the Regional Tripartite Wages and Productivity Board has deemed it necessary to grant an increase in the minimum wage rates of workers and employees therein in the presence of the supervening condition;

WHEREAS, consistent with the government's policy of achieving higher levels of productivity to promote economic growth and generate employment, and to augment the income of workers, there is a need to build the capacity of business enterprises to be competitive through productivity improvement and gain sharing programs;
